Re: Notice Of Drawing Inconsistency With Specification of 04/05/2007  
Application 09/878,789 Agee et al.

Dear Sirs:

I received your office's "Notice of Drawing Inconsistency With Specification" on April 11, 2007; and I have enclosed a copy with this letter. That Notice stated that, while the specification for this application listed a "Figure 13A, 13B", the Drawings before your office contained only a "Figure 13".

The corrected Figure 13 – which specifically indicates the two elements of the drawing, 13A (top portion) and 13B (bottom portion), and their connection – is also enclosed.

I fervently hope that this correction makes this application ready for issuance.

Sincerely Yours:

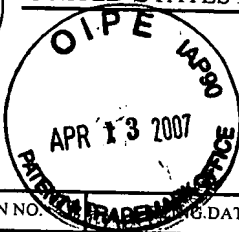

A handwritten signature in cursive script that reads "George S. Cole".
